Dear Ms. Kostuch:

Re: Buffalo Lake Water Management Project
Red Deer River Diversion - NE 34-38-23-4

This is to advise our assessment of the application for licence to divert water from the Red Deer River for the purposes of stabilizing Buffalo Lake within its historic levels is now complete.

An interim licence, under the Water Resources Act, has been issued to Alberta Environment for the construction of necessary works to divert water from the Red Deer River.

The concerns you expressed were considered in our assessment of the application for licence. Thank you once again for your interest and input.

Yours truly,
DEPARTMENT OF THE ENVIRONMENT
